YOUNGER GENERATION

YG ANNUAL REPORT
JULY 2010-JULY 2011

Dear YG Church,

As I review the 2010-2011 season, I cannot help but express my excitement for what God is doing through us as a body of Christ followers.

One year ago Pastor A. Allan Martin and his family moved to Arlington to lead us. We thank God for bringing them to us. We're grateful for their time and talents, helping us disciple new generations.

Beyond our great weekly worship gatherings, we have had many successful experiences this year. Highlights include Shindig, many concerts, Revive, and broomball with our great volunteers! At IGNITION Conference, we equipped young adult leaders for ministry. Two-dozen of our college students were sponsored to attend the Passion Conference and were challenged to "live for what matters most!" On Easter weekend, we had a baptismal celebration where five YGers were baptized!

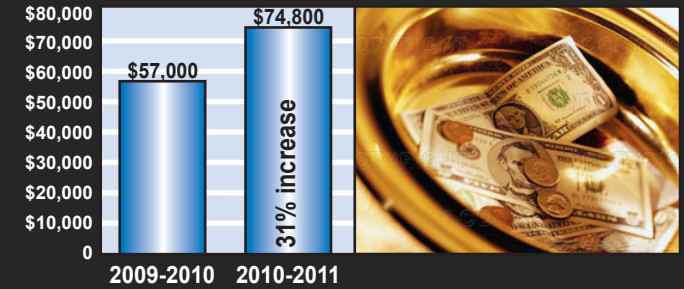

Our online audience has grown from a couple dozen to over 200 joining us online by computer, iPhone, and iPad! We are reaching a global audience, with over 30 countries signed on to our live services. Our local audience continues to grow as well, right here in the great state of Texas!

Weekend attendance this year has continued to swell, and total giving increased 31%, despite our nation's economic woes. We greatly appreciate the growth in both our attendance and giving as God continues to bless this ministry.

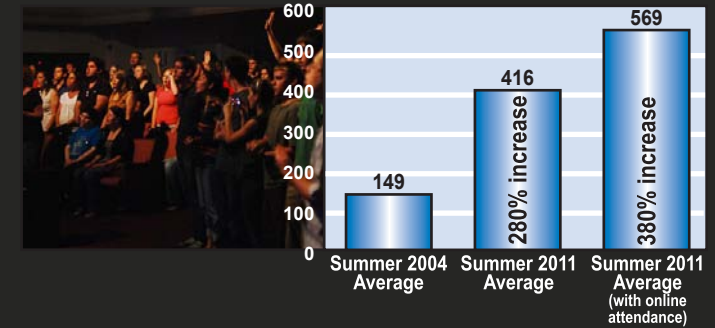

It is only through the grace of God and your generous giving that we can make such incredible strides for the Kingdom. We believe that the 2011-2012 season will be a phenomenal year for all of us...together. Thank you for your continued support as we disciple new generations!
